Dear Parent/Guardian

We heartily welcome you and your little ones to the Family of “**Barasat Indira Gandhi Memorial High School**”

The new batch of 2017-2018 joins today in this Scholastic Year 17-18 –The 28th Year of the school’s existence, fame and glory. Yet another fruitful year of joyous Stimulating and fun packed learning experience.

Our focus will always remain on the Quotient and Learning through Life-skills, Cognitive-skills, Motor-Skills and Development-Skills that will make the child INDEPENDENT. We believe that parents have primary and inalienable Duty and right-in regard to the EDUCATION AND UPBRINGING OF THEIR CHILDREN. The role of parents is of such importance that it is almost impossible to provide an adequate substitute it is therefore. The Duty of Parents/Guardians to create an atmosphere inspired by LOVE AND DEVOTION for the well being of all which will promote an integrated personal and Social-Education to their child/children.

The task of imparting education belongs primarily to the family. At this stage of life children are still exploring and undergoing the absorbent stage of mind where-in, they absorb from their Environment. Their sense is sharp and WE AT KIDZ BARASAT believes in giving them the chance to Learn and Explore through their senses. Rather than over loading them with Academic Pressure.

The syllabus is graded moving from concrete world to abstract, from Lower Nursery to K.G. Paving way for Learning process, which starts at 5 + and build their strong Foundation through this Learning for Life. We want the children to undergo easy and innovative learning process, so the Activities are Structured accordingly and the amount of Books they carry is to minimum. A Funfilled day is allotted known as “WOW” days where the child is allowed to explore through activities based pattern of learning. “ALL WORK AND NO PLAY MAKES JACK A DULL BOY” keeping this in mind we want the children to enjoy in our “KIDZONE” a well equipped play area for toddlers from this session in the school compound. We would together help and guide you dear parent to educate your children to essential values of Human Life. The great value of Freedom, Respect for Others Acceptance, Dialogues. A sense of justice of Solidarity, dedication of oneself for the good of others.

Lets hold hands for the good of the community attached under this umbrella so that these small steps taken for the well being of our little “Millennium” era children to grow to take biggest steps and Create History for one and all.
